

CATALOGUE OF THE NGOs

on the left and right banks
of the Dniester/Nistru River

2021
November

“Catalogue of the NGOs on the left and right banks of the Dniester/Nistru River 2021” is produced in the framework of the project **“Strengthening Confidence-Building Measures on Both Banks of the Dniester River through Building Local Capacity and Protection of Human Rights”** implemented by the OSCE Mission to Moldova in partnership with the National Center of Assistance and Information for NGOs of Moldova CONTACT

The present Catalogue contains information provided by non-governmental organizations. The list of organizations is not exhaustive; the information is presented only about organizations which expressed interest to be included in the Catalogue.

The Catalogue is based on the regularly updated information about NGOs working on the left bank of the Dniester/Nistru River which can be found on the web page of “Apriori” at https://apriori-center.org/resource_center/.

 https://apriori-center.org/resource_center/

This publication was developed with the support of the Mission to Moldova of the Organization for Security and Co-operation in Europe (OSCE). Although the OSCE Mission to Moldova has invested the utmost care in the development of this product, the Mission accepts no liability for its content. The contents of this publication, the views, opinions, conclusions, interpretations, graphics, findings and other information expressed in herein are those of the authors and do not necessarily reflect the official position of the OSCE and/or its participating States.

Institute for Democracy

Abbr.: InDem

Chair: Borshevsky Andrey Petrovich

MAIN FIELDS OF ACTIVITY:

- Human rights (legal and psychological assistance, domestic violence, civil society, increasing citizens' participation in the life of the state);
- Information and education (work with teachers to improve their skills in human rights teaching).

TARGET GROUPS:

- Youth;
- Teachers;
- Victims of torture, violence and human trafficking.

AREAS OF WORK:

- The strategic goal is to introduce into the public consciousness a holistic view of human rights as the basis for building a democratic legal society, combating torture, human trafficking and violence.
- The Institute for Democracy has had experience in partnership with Transdnistrian NGOs since 2014, having implemented five projects where organizations from Transdnistria were partner NGOs. Also in 2018, the Institute allocated eight small grants (up to 10 thousand euro each) for projects in which one NGO from the left bank and one NGO from the right bank of the Dniester/Nistru were supposed to participate. In 2019, the Institute демократии has also implemented a grant program, where both the left and right banks of the Dniester/Nistru can take part.
- The Institute for Democracy is a co-founder of the magazines European Perspectives, Our Law and Prava.UA (Ukraine). In 2016, on the occasion of International Human Rights Day, the Institute of Democracy received an award for Outstanding Achievements in Human Rights from the West-Regional Association of UNESCO Clubs (Ukraine). The Rule of Law international scientific journal recognized the Institute for Democracy as the organization of the year for outstanding achievements in conducting human rights events in 2016.

Moldovan Institute for Human Rights

Abbr.: IDOM

Chair: Vanu Jereghi

MAIN FIELDS OF ACTIVITY:

- The major aim of IDOM is to contribute to raising awareness, promoting and protecting rights and liberties guaranteed by the national and international legal frameworks.
- The mission of the organization is to promote democratic changes and to contribute towards attaining international human rights standards by offering premises and tools for legal and institutional reforms for the well-being of each individual and the society at large.

STRATEGIC ACTIVITY FIELDS:

- Monitoring, defending and promoting the rights of persons with mental disabilities from psychiatric institutions and Temporary Placement Centres for Persons with Disabilities;
- Lobbying and monitoring to prevent inhuman treatment in pre-detention institutions;
- Litigating cases of malpractice and defending patients' rights (assessment of national and international legislation on the protection of patients' rights and reproductive rights);
- Internal organizational development.

TARGET GROUPS:

- Persons with mental disabilities from Psychiatric institutions and Temporary Placement Centres for Persons with Disabilities;
- Persons detained in pre-detention institutions;
- Victims of medical malpractice.

AREAS OF WORK:

- We capacitate specific groups – providers and beneficiaries of public services – to apply human rights standards in specific areas;
- We participate in drafting and assessing human rights policies and legal framework;
- We carry out advocacy and information campaigns;
- We take human rights violations to national and international courts of law.
