

INTERNATIONAL UNION  
OF RAILWAYS

*unity, solidarity, universality*

# Rail security : UIC Point of view

Jacques COLLIARD, Manager of the UIC Security  
Division

# Rail security specificities

- > **Why?** Request of clients and staff
- > **Who ?** Rail sector, national authorities, international aspects
- > **When** Definition of the service
- > **How much ? And who has to pay : Tax payer ? User ?**
- > .....
- > **An affirmation : a shared responsibility between various actors (when safety is the core responsibility of the rail sector) :**  
Public and private      National and foreign      Incumbents and new comings

# Security in an international framework

## Future in international développement

Europeanwide

Worldwide

**Which coherence beyond bilateral agreements ?  
example of aviation : OACI/IATA**

**Cooperation initiatives, UIC role**

# Way forward

## > **Bottom up**

Concrete answers to daily problems

## > **Top down**

National and international principles

■ ■ ■ Thank you for your kind attention
