**PERMANENT MISSION
OF TURKEY TO THE OSCE**

**Remarks of Ambassador Naci Sarıbaşı
Regarding the Situation in Kyrgyzstan
(ASRC 3rd Working Session, 15 June 2010)**

Mr. Chairman,

I would like to recall that during the Special Sessions of the Permanent Council on the situation in Kyrgyzstan, held on 14 and 15 June respectively, I invited the OSCE and the participating States to explore further and concrete ways to upgrade our assistance to Kyrgyzstan with a view to restoring public order, peace and security as well as addressing urgent humanitarian needs in this country. To my regret, the request of the Turkish Delegation to reflect the said invitation into the OSCE statement of 15 June, has failed to gain consensus.

Today, at the 3rd Working Session of the ASRC, where we discuss the role of our Organization in conflict situations, I am pleased to observe that my invitation yesterday is receiving an increasing support from the participating States.

Thank you Mr. Chairman.
