

**PERMANENT DELEGATION OF NORWAY  
TO THE OSCE**

**NORWEGIAN RIGHT OF REPLY TO THE RUSSIAN FEDERATION ON THE MISSILE  
ATTACK AGAINST OKHMATDYT HOSPITAL**

As delivered by Ambassador Anne-Kirsti Karlsen at the Permanent Council, Vienna, 11 July  
2024

Thank you, Madame Chair,

Due to the accusation from the Russian Federation that the Norwegian NASAMS air defense system was used in Monday's horrendous attack against Okhmadyt Hospital in Kyiv, I would like to exercise my right of reply.

Madame Chair,

Russia is merely following its usual pattern of making unfounded accusations in an attempt to create confusion about the actual facts. All available evidence indicates that the Ohmatdyt Children's Hospital was hit by a Russian missile.

Thank you, Madame Chair.
