

**OSCE 12th Economic Forum in Prague
May 31 - June 4, 2004**

ENGLISH only

PROPOSALS
of the Delegation of the Republic of Azerbaijan

Working Group A 1

OSCE economic and environmental activities should be further streamlined in order to assist the interested Participating States in:

- adopting and implementing relevant international legal instruments in economic and environmental spheres;
- solving environmental problems of regional character;
- training and capacity building in fostering development of ecotourism, such as bringing in international expertise in preparation of guides on ecotourism and management of national parks.
