Information on national marking practice	
ITI Para.31	40. Pursuant to paragraph 31 of the International Tracing Instrument, States will provide the Secretary-General with the following information, updating it when necessary:
	a) National marking practices related to marking used to indicate country of manufacture and/or country of import as applicable.
	b) Please upload/attach information such as images and illustrations:
	Uploaded information will be shared with INTERPOL, the global hub for firearms and ammunition databases (www.interpol.int/INTERPOL-expertise/Databases).
Gender considerations	
BMS6 outcome 59	41. Does your country take into account gender considerations, including promotion of the meaningful participation and representation of women, in policymaking, planning and implementation processes related to the Programme of Action?
	41.1. Details: [if yes](e.g. percentage of members of the National Commission on SALW who are female, participation in national decision-making on SALW control by the government ministry responsible for women's affairs, participation of women's organisations in programmes relating to awareness-raising, community safety and armed violence reduction).
BMS6 outcome 60	42. Does your country collect disaggregated data on gender and the illicit trade in small arms and light weapons?
	42.1. Details: [if yes] (e.g. percentage and number of women participating in weapons collection/destruction programmes; gender-specific impacts of small arms and light weapons; small arms ownership; homicide; domestic violence.)
Additional information	
	43. Any further comments on:
	a) PoA and ITI, including implementation challenges and opportunities? [Please detail]
	b) OSCE Document on SALW, including implementation challenges and opportunities?
	c) Please upload/attach additional files (e.g. views on the implementation of the PoA and ITI, a national action plan, project proposals, a list of projects implemented and financial contributions provided):
