

United States Mission to the OSCE

Decision on the Dates and Agenda of the 2024 Economic and Environmental Dimension Implementation Meeting

As delivered by Chargé d'Affaires Katherine Brucker
to the Permanent Council, Vienna
July 25, 2024

We welcome the Permanent Council's approval of the dates and agenda for the 2024 Economic and Environmental Dimension Implementation Meeting. All annual mandated meetings are essential for making progress on our shared commitments across all three dimensions.

We regret that the Russian Federation blocked consensus on holding this year's Human Dimension Implementation Meeting.

We urge all participating States to promptly and constructively support the scheduling of mandated events to enable the smooth functioning of the organization and to uphold our shared commitments.
