

HATE MONITOR

JUNE 2021

Hate-motivated incidents are often violent manifestations of intolerance which instil fear and divide communities. Tackling underlying prejudice is essential in combating the spread of these divisive actions. The OSCE Mission to BiH supports the work of government institutions, the criminal justice system, local authorities and civil society to effectively respond to these incidents. The Hate Monitor provides a monthly update on incidents and responses throughout BiH.

In June, the Prijedor Coalition against Hate and city officials initiated the revision of the local Community Cohesion Action Plan (CCAP), for the period 2022 – 2026, after three years implementation of the current CCAP. The CCAP revision showcases a strong co-operation between civil society and public authorities in Prijedor.

The Hate Monitor provides an update on all potential hate-motivated incidents and responses known to the OSCE Mission to BiH at the time of publishing the report.
