(Permanent Council, 26 June 2008)

Mr. Chairman,

The Slovenian delegation would like to inform the Permanent Council that the parliamentary elections will be held in the Republic of Slovenia on 21 September 2008.

In line with the Copenhagen commitments, Slovenia has informed the Office for Democratic Institutions and Human Rights about the elections and invited it to consider observing these elections.

At the same time, observers from the participating States and partners for cooperation who may wish to observe these elections are most welcome.

Thank you.
